MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Weekly Report of the Office of Training

1. Potential FSI Intelligence Course Examined

OTR representatives met with the Foreign Service Institute's chief instructor-designate to discuss a proposed FSI one-week course in Intelligence to be inaugurated this fall. A proposed course outline was reviewed, and course content and potential speakers aired. The FSI instructor has suggested that two of the five days be spent at the Agency -- approximately one day devoted to the Agency's overt collection and production responsibilities, and the other day spent on the role of the clandestine service.
